A Leading ISO Management System Consultancy company in GCC & Pakistan

ISO 9001:2015 · ISO 20700:2017 CERTIFIED

UAE · QATAR · PAKISTAN · KSA · OMAN · BAHRAIN · KUWAIT

REV. 14 · 09.11.2026

THE QDOT DIFFERENCE

Qdot

Formal strengths that reduce procurement risk.

Four core points that differentiate Qdot from typical ISO consultancies.

ISO 20700:2017 CERTIFIED CONSULTANCY

Qdot is certified to ISO 20700:2017, the international standard for management consultancy services.

100% MONEY-BACK GUARANTEE

If we cannot complete a certification project for reasons on our end, the client receives a full refund.

IAF-ACCREDITED BODIES ONLY

We work with certification bodies accredited under UKAS, EIAC, DAkkS and other IAF members.

No Certificate Mills

No Malpractices

ISO 9001:2015 CERTIFIED CONSULTANCY

Qdot operates a certified quality management system that reflects the systems we build for clients.

BY THE NUMBERS

Qdot

Measured delivery since 2016.

A concise view of Qdot’s regional capacity and track record.

COUNTRIES

UAE, Qatar, Pakistan, KSA
Oman, Bahrain, Kuwait

Interpretation

The numbers are intended to support procurement confidence: delivery capacity, continuity of service, client retention and multi-country experience.

WHO WE ARE

Qdot

Pure-play ISO consultancy. Regional reach.

Headquartered in Dubai, Qdot helps manufacturers, oil & gas operators, food businesses, construction firms, laboratories, inspection bodies, trading companies and service providers achieve internationally recognised ISO certifications across the GCC and beyond.

Established in 2016, Qdot is a consultancy firm — not a certification body. We work transparently with IAF-accredited certification bodies and never compromise the integrity that has earned long-term client relationships.

Vision

To be the most trusted management system consultancy in the GCC & beyond

Mission

Help organisations deploy world-class management systems that adapt to change.

Values

Integrity, independence and long-term partnerships over transactions.

GLOBAL PRESENCE

Qdot

Seven Countries. Three regional hubs.

One consistent standard of service across the GCC and beyond.

3

REGIONAL HUBS

Dubai (HQ) · Doha · Lahore

Dubai serves the UAE and wider GCC. Doha covers Qatar, and Lahore supports Pakistan operations plus back-office capability for the wider group.

COUNTRY / LOCATION	OFFICE / SUPPORT	DETAILS
UAE	Head Office	Business Village-B, Deira, Dubai
Qatar	Regional Office	Ras Bu Abboud, Ain Khaled Building, Doha
Pakistan	Regional Office	Dream Garden Housing Society, Lahore
KSA · Oman · Bahrain, Kuwait	Service Locations	Local on-ground consultant support

OUR TEAM

Qdot

Specialists with depth, not just templates.

A combined consultancy and delivery team for technical and coordination continuity.

10

SPECIALIST CONSULTANTS

QHSE · Food Safety & GMP · ISMS · BCMS · Social Compliance · Accreditation Standards

9

SUPPORT STAFF

Project coordination · Documentation · Client success · Training operations · Administration · QA

SERVICES OVERVIEW

Qdot

Five service families under one roof.

Qdot combines consultancy, training, risk assessment, audits and ongoing ISO maintenance support.

Management System Consultancy

QHSE, food safety, information security, business continuity, social compliance, accreditation standards and more.

Training

B2B Internal Auditor and Awareness training for all mainstream standards.

Risk Assessment

Environmental impact, business risk and occupational health & safety risk assessments.

Audit Services

Independent internal audit, supplier audit and customer audit support by registered Lead Auditors.

ISO Maintenance & Surveillance

System maintenance, annual surveillance support and recertification preparation.

MANAGEMENT SYSTEM STANDARDS

Qdot

Comprehensive coverage across major ISO families.

QHSE

ISO 9001:2026 — Quality
ISO 14001:2026 — Environment
ISO 45001:2018 — OH&S
IMS — Integrated Management System

ISO 41001 — FM
ISO 37001 — Anti-Bribery
ISO 55001 — Asset Mgmt
AS 9100 · API · C-TPAT

SPECIALIST CAPABILITIES

Qdot

Where Qdot goes deeper.

Niche standards that require serious technical investment and experienced consultants.

Many consultancies stop at ISO 9001, 14001 and 45001. Qdot's strength is in standards that prominent and regulated clients actually need.

ISO 22301

Business Continuity
Delivered / supported for ADNOC and AZDAN.

ISO 27001

Information Security
Delivered / supported for AZDAN and Xad Tech.

ISO 17025

Lab Accreditation
Delivered / supported for Modern Mills KSA.

ISO 50001

Energy Management
Delivered / supported for Tasnee Petrochemical.

SEDEX / EcoVadis

Social & ESG
Delivered / supported for GCC exporters.

ISO 41001

Facility Management
Delivered / supported for Al Masaood LLC.

OUR METHODOLOGY

Qdot

A structured 9-step route to certification.

Refined through 844 delivered certification projects.

1. Kick-Off

Understand business and scope

2. Planning

Project plan and CB shortlist

3. Gap Analysis

As-is study against ISO standard

4. Awareness

Train the team on ISO basics

5. Documentation

Custom manuals and procedures

6. System Training

Hands-on use of the system

7. Implementation

Internal audits, MR and CAP

8. Certification Audit

Attend Stage 1 + 2 audit

9. Surveillance

Annual support and improvement

Typical timeline: Small company, single standard — 45 to 60 days. Larger or multi-standard projects scale accordingly.

PROJECT TIMELINES

Qdot

What clients can expect.

Transparent durations based on project type and complexity.

PROJECT TYPE	ESTIMATED DURATION
Single Standard · Small Company (10–20 staff)	6 – 8 weeks
Single Standard · Mid-Size (20–100 staff)	8 – 12 weeks
Integrated Management System (3 Standards)	14 – 18 weeks
Multi-Site / Complex Enterprise	20 – 28 weeks

Factors that influence duration

Company size · Number of sites · Number of standards · Staff competence · Cooperation level · Existing documentation quality

Qdot

Which standards apply to your industry?

A starting point — the assigned consultant tailors the recommendation to actual operations.

INDUSTRY	RECOMMENDED ISO STANDARDS
Manufacturing	ISO 9001, 14001, 45001, 50001
Food Manufacturing	ISO 22000, HACCP, FSSC 22000, BRC, HALAL
Oil & Gas / Construction	ISO 9001, 14001, 45001, 50001
Perfumes & Cosmetics	ISO 9001, 22716 (GMP), HALAL, SEDEX
Facility Management	ISO 9001, 14001, 45001, 41001
Inspection Bodies / Labs	ISO 17020, ISO 17025
IT / Finance	ISO 27001, ISO 22301
Logistics & Supply Chain	C-TPAT, ISO 28000

INDUSTRIES SERVED

Qdot

Experience across the GCC economy.

- Manufacturing
- Oil & Gas
- Food & Beverage
- Construction
- Pharma & Cosmetics
- Trading
- Facility Management
- Labs & Inspection Bodies
- Logistics
- Aerospace & Aviation
- Engineering
- IT & Technology

CASE STUDY · 01

Qdot

Al Masaood LLC

Multi-standard IMS across five standards for a leading UAE conglomerate.

CLIENT

United Arab Emirates · Diversified Industrial Group

STANDARDS / ENGAGEMENT

ISO 9001 · ISO 14001 · ISO 45001 · ISO 22301 · ISO 41001

Challenge

Multiple business units required a coherent integrated system without disrupting operations.

Approach

Phased rollout with common IMS backbone, standard-specific overlays and harmonised audit cycles.

Outcome

Five standards certified with IAF-accredited bodies, plus ongoing surveillance support.

Al Masaood CEO while receiving ISO Certificate (Original Photo)

CASE STUDY · 02

Qdot

Tasnee Petrochemical Complex

Energy management certification for a leading Saudi petrochemical operator.

CLIENT

Kingdom of Saudi Arabia · Petrochemical Complex

STANDARDS / ENGAGEMENT

ISO 50001 — Energy Management Systems

Challenge

A high-energy operation needed a certified system to drive efficiency and sustainability credibility.

Approach

Energy review, baseline, significant energy uses, EnPIs, objectives and operational controls deployed.

Outcome

ISO 50001 certification achieved through an IAF-accredited certification body.

CASE STUDY · 03

Qdot

ADNOC

Business continuity capability building for a national energy company.

CLIENT

United Arab Emirates · National Energy Company

STANDARDS / ENGAGEMENT

ISO 22301 Business Continuity Management System Training

Challenge

A critical infrastructure operator required structured ISO 22301 capability building for relevant teams.

Approach

Tailored awareness and internal auditor programmes with scenario-based exercises.

Outcome

Trained cohort equipped to plan, deploy and audit a BCMS in line with ISO 22301.

ADNOC: ISO 22301 Training Day Group Photo (Original)

Qdot

Our commitments.

The standards we hold ourselves to before asking clients to meet them.

ISO 9001:2015 Certified

A certified quality management system with documented processes, internal audits and management review.

ISO 20700:2017 Certified

Certified to the international standard for management consultancy services.

Independent of Certification Bodies

No certificate mills. We work only with IAF-accredited bodies.

Confidentiality by Default

Engagements operate under signed NDAs with protected client documentation and commercial details.

Customer Charter

Published commitments on responsiveness, transparency and post-certification support.

CSR & Knowledge Sharing

Free webinars, blogs and FAQs for the wider GCC quality community.

Qdot

Ready when you are.

Let’s start a conversation and move forward with confidence.
